Relevant Information

Empresas Publicas de Medellin has reached a preliminary agreement with the private equity fund Fundo de Investimento em Participações Coliseu on the conditions to acquire 35.71% of the ordinary shares, which are representative of the 22.14 % of the total shares of Transmissora Aliança de Energia Elétrica S.A. – TAESA, based in Rio de Janeiro (Brasil). The signing and closing of the purchase agreement has not been produced and are subject to compliance with a number of precedent conditions, among which are highlighted the obtaining of an agreement with COMPANHIA ENERGÉTICA DE MINAS GERAIS – CEMIG, TAESA shareholder.

The estimated value of the transaction is approximately the sum of R\$ 1,527 million.
